

RUMEAU TRAILERS BY FLDI

Référence : FLRUMEAU

The FLDI group is the exclusive manufacturer and distributor of RUMEAU trailers, known for their robustness. We offer a range of monohull tipper trailers, produced in our workshops in the heart of Aude. Our design office is developing the different models, in order to best meet the standards in force, while guaranteeing what has made the reputation of the brand since its inception: longevity.
